## GRAND VULCAN 30 / TRUMPET JET 30

The Grand Vulcan and Trumpet Jet are multi jet nozzles. The single jets are clear and relatively wind stable.

The single jets of the Grand Vulcan 30 are arranged in a circle. They create a calyx.

The water patten of the Trumpet Jet 30 looks like a calyx with a strong middle water jet.

### Product characteristics at a glance

- Multi jet nozzle
- Water-level independent
- Modern stainless steel look
