

Extras

Top product characteristics

- Extremely high pressure-resistance to 6 bar
- Flow-optimised inner wall design for smooth flow-through
- Highly durable and robust spirals worked into the material

SPIRAL HOSE, GREEN

Extra robust!

- Green with black spirals
- UV resistant
- Good sinking characteristics
- Temperature resistant from -15°C to +50°C
- Heavy metal free - guaranteed
- Very smooth, flow optimised inner wall design
- Pressure: 6 bar
