Extras

Top product characteristics

- The special feature in the garden: Colour- ed arching water jets
- »Plug'n Spray« principle: Complete set for easy connection
- Can be used in swim ponds thanks to 12 V technology

Recommendation

Enjoy the different colours of the luminous water jets at twilight. This is when they are most effective. The fountain should be installed where it is protected from wind, so that the water arches maintain their perfect form. For maximum enjoyment, ensure good water quality.

Accessories

InScenio FM-Master WLAN

This innovative garden power outlet can be controlled via smart phone or tablet. In addition to 4 power outlets with an integrated timer, it also has an EGC connection.
